BEST OF PORTUGAL • 6 NIGHTS 2 PEOPLE

The westernmost country of continental Europe, Portugal is the nation with the oldest borders in Europe. Portugal has an exceptional range of varying landscapes that are just a short distance away from each other and a unique cultural heritage. Internationally considered one of the best countries to live in, thanks to the fantastic climate year-round, the superb (and healthy) cuisine, and friendly population. Currently, Portugal is one of the trendiest destinations in Europe. The country comes to life perfectly in two stupendous cities that are distinctly different from each other but are still two sides of the same coin.

Lisbon is incredibly scenic, with picturesque streets that are full of colors, iconic trams zipping past, and magnificent views await you at the top of each hill. The city boasts of incredible gastronomy and also a delightful climate. Lisbon is seductive in its appearance, with effortless beauty and exquisite details found in the cobblestone streets, tiled facades, and pastel-colored buildings, all blending to create a unique atmosphere.

Porto, the country's second-largest city, has been regarded as Lisbon's quieter sibling, but it is currently undergoing a moment of transformation. This fascinating city is steeped in history and culture, with a unique identity not seen anywhere else in the world. Visit the beautiful medieval harbor of Vila Nova de Gaia, where Porto wine has been shipped across the globe for centuries, soak up the comfortable life of the river banks, and stroll through its narrow streets.

ACCOMMODATION •

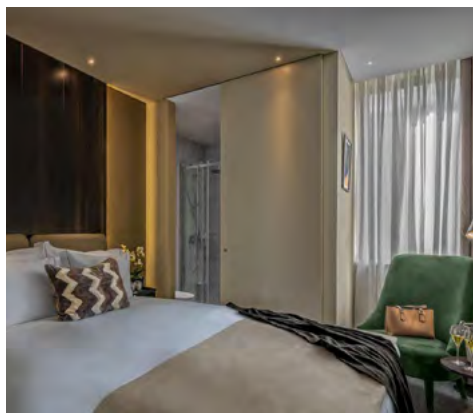

Two of you will stay in a 4-star hotel for 6 wonderful nights (3 nights in Lisbon and 3 nights in Porto), situated in the city center with breakfast included each morning. All the hotels we use are located near the most important attractions of both cities. (Lisbon: Wine Hotel or similar. Porto: Moon & Sun Hotel or similar).

WHILE YOU ARE HERE •

This spectacular trip of a lifetime includes a live Fado music show on one evening while in Lisbon, where you will enjoy a delicious, traditional dinner in a lovely local restaurant while being entertained by a captivating Fado performance. Fado music is a form of Portuguese singing often associated with pubs, cafés, and restaurants in the region. And while in Porto, you will have a 3-hour private tour of the city where you will try Porto's famous wine and enjoy eating some of the city's incredible gastronomic culture. Here your guide will take you for a fantastic tour where you will learn about this beautiful city while also sampling some traditional food and drinks along the way!
