Travel assistance and concierge service

MAGIC PRAGUE • 5 NIGHTS 2 PEOPLE

Lying in the heart of Europe, Prague is one of the continent's finest cities and the major Czech economic and cultural center. With its magical and mystical atmosphere, a visit of the "city of a hundred spires" is like finding yourself in a fairy tale, with its cobblestone streets, beautiful medieval bridges and numerous towers and cathedrals.

The city has a rich architectural heritage with a history that is over 1000 years old. Among the most important monuments are the Charles Bridge, which stands astride the Vltava River and is considered the most beautiful bridge in Europe, as well as the great castle of Hradcany, dominating the left bank region of the city, looming up from behind massive walls, perched high upon a hill. The old neighbourhoods are captivating, full of narrow streets and small taverns that contrast with the broad sweep of Wenceslas Square and the elegance and majesty of the great 18th century Baroque palaces. In 1992 the entire historic center was added as a Unesco World Heritage site and recognized as one of the world's most beautiful and romantic cities.

Prague is also famous for its cultural life and for being one of the most vibrant cities in Europe, with an energetic nightlife that makes it a city suitable for young and old alike. Renowned all over the world for being the capital of one of the most famous countries in the world for the production of beer, you won't be able to resist a visit to one of the many breweries in town to get a taste of a genuine Pilsner!

ACCOMMODATION •

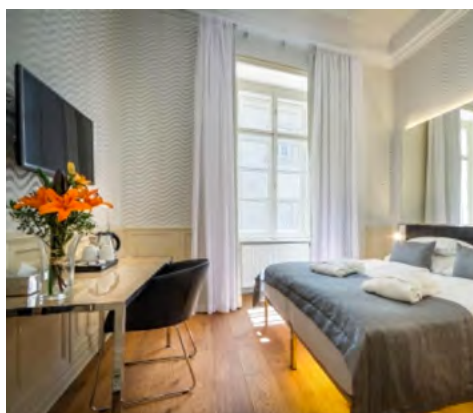

Two of you will stay in a 4-star hotel for 5 evenings, situated in the city center with breakfast included each morning. All the hotels we use are located near the most important attractions of the city. (Hotel Golden Star or similar)

WHILE YOU ARE HERE •

Immerse yourself fully in the Lobkowitz Palace in Prague Castle, the largest fortress complex on the planet. First you will enjoy a classical music concert in the 16th-century palace's baroque concert hall. Afterwards, visit the Lobkowitz Palace Museum to marvel at paintings by Canaletto, Cranach, Brueghel and Velázquez. You will even see musical scores written by Beethoven and Mozart! On another day, you will be picked up by a private driver to head out for a full-day adventure, visiting the Bone Church and Kutna Hora. This picturesque town was once known for its silver mining and still maintains the atmosphere of that golden era, with many Gothic buildings lining the romantic, cobblestone streets. Here you will discover Kutna Hora and its monuments and enjoy a lovely lunch in a traditional Czech restaurant along the way.
