Take part in an authentic and special experience, staying in a characteristic champenoise villa, immersed in the beautiful countryside surrounded by endless fields of vineyards and small cozy villages to create a fairytale atmosphere.

Champagne takes its name from the region where it is produced, located in the Northeastern part of France. This renowned sparkling wine is now subject to strict laws and regulations in order to proudly call itself by this name. In the wine world panorama, Champagne's production method is the most complicated and requires the most precision. The entire region is formed by 3 main territories, each represented by a specific grape and that you will learn to recognize.

The Montagne de Reims is famous for its bold Pinot Noir, the Vallée de la Marne for its fruity Pinot Meunier, and the Côte des Blancs for its elegant Chardonnay. Champagne is mainly

a blend of these three main grapes found here locally. Each territory represents a microcosm and each Champagne shows the different and distinctive characteristics of the soil and the climate. By the end of this experience, you won't just be a lover of Champagne, but a real expert!

Eight of you will stay for 7 nights in a lovely and typical villa right in the heart of the Champagne region.
