CLASSIC VIENNA • 5 NIGHTS 2 PEOPLE

Vienna has a soulful, unique charm, with unrivalled elegance that permeates every corner of the city. It has always been one of the most important European capitals, as the stage where the continent's destinies played out and were decided. It was the capital of the Austro-Hungarian Empire and seat of the royal family of the Habsburgs, leaving the city with a unique and extraordinary cultural heritage.

Considered for centuries the center of Europe, Vienna is full of incredible architectural creations, from Baroque castles to elaborate city gardens, and here the Ringstrasse boulevard lined with parks, imperial residences and breathtaking palaces. Vienna is also well known as the temple of classical music, and art and culture are intimately linked to the Viennese spirit. This is all manifested through a large number of theatrical events, classical music concerts and art exhibitions. The unique atmosphere is made even more seductive by the cherished, centuries-old tradition of cafe culture, where cafes are lounges and meeting centers for artists, actors, and intellectuals, and of course also ordinary citizens, who use them to as a social hub for sharing ideas.

The city is also home to a fascinating and particular gastronomic culture, where you will find some of the most beautiful, artisanal pastry shops in Europe - famous for their classic apple strudel, Sacher cake, and Mozart dessert balls. Vienna is also one of the few capital cities globally that owns its own vineyards, producing high-quality white wine. Visiting this city is a true pleasure, something that everyone must do at least once in their lifetime, and it is no wonder that for years the Austrian capital has been at the top of the world rankings for the quality of life.
