ROMANTIC VENICE • 5 NIGHTS 2 PEOPLE

With its dreamlike atmosphere of gondolas floating along the canals through the beautiful winding streets, Venice is considered one of the most romantic cities in the world. This destination is on every lover's "must experience" list. This magical place is beautiful and mesmerizing, with a labyrinth of alleys and bridges in which you can happily get lost. Whether you are exploring museums, admiring the architecture of the beautiful palaces, or having a coffee in one of the historic town squares, you will continuously be awe-struck by the beauty surrounding you here.

Piazza San Marco is the most famous and largest piazza in Venice, a popular meeting spot for Venetians and home to many of its essential highlights, such as the Basilica di San Marco with its bell tower, as well as Doge's Palace. Walk over the Ponte de Rialto, crossing the Grand Canal, and get a glimpse of one of the most incredible views of the city. Once you get off of Venice's more frequented and busier parts, you will then discover its quieter, more romantic side.

If you want to escape the buzz of the city, Lido is an island located between Venice and the sea, where couples go to relax on the beach. There are many picturesque canals here, and of course, cozy restaurants, cafes, and bars. It's only a 20-minute vaporetto water taxi ride away from Venice. You might also visit Murano island, the home of the famous Murano glass blowers that will be a unique way to spend your day.
