SET SAIL IN SARDINIA • 7 NIGHTS 8 PEOPLE

Set sail to discover Sardinia on your very own private charter, with a 7-night stay on a luxury yacht for 8 guests. You will be swept around the wild beauty of the Sardinian coastline on an elegant and spacious Ferretti 72 yacht, with 4 comfortable suites for 8 guests, and an energetic and professional crew of 3 who will take care of all your needs as you cruise around this beautiful Italian island!

Sardinia is absolutely captivating for its stunning turquoise waters, secluded beaches, and rocky headlands that come together to form a one-of-a-kind landscape along the coast. The island interior with forested mountains frame the background of this Mediterranean paradise that is very much Italian, but with its own unique personality. What better way to experience this destination than by luxury yacht, where you can tuck into the nooks and crannies that are otherwise unseen and explore different areas of the region without having to pack and unpack!

The ship has refined, minimal interiors, with large windows that allow for natural light to come in, and you can spend time relaxing in the

salon on comfortable sofas, or on the deck's lounging areas with cushions for maximum comfort. Gather around for dining al fresco, enjoying the tantalizing meals provided on board throughout the week! Jump right into the crystalline waters, explore under the sea with the yacht's snorkeling equipment, or head out for more adventures on the lomac tender or Seadoo jet ski!

WHILE YOU ARE HERE •

Upon boarding your yacht for the week in the gulf of Cagliari, you will meet the crew and discuss your sailing plans over an aperitivo. During your week, you will explore the southern coast of the island. Here your time will be spent lounging on board as you cruise through the turquoise waters and Sardinian landscapes and navigating hidden beaches that are only accessible by boat. As you wish, you will get off the yacht to explore villages and seaside towns. Both on board and on land, you will have delicious meals prepared with traditional ingredients. You might even help the skipper hoist the sails as you pick up a lesson or two on sailing. The trip will end back in Cagliari, but the memories you make will last forever! The schedule will be discussed during the planning of your vacation with our travel planning team. This will be subject to changes due to weather conditions
