TUSCAN GIRLS GATEWAY • 7 NIGHTS 4 PEOPLE

What better place than Tuscany for a girl's getaway with fashion, art, jewelry, thermal baths, great food, and delicious wine all at your fingertips! You and your closest girlfriends will have the chance to spend an unforgettable week in one of the most beautiful places on Earth, discovering the very essence of Italy and the dolcevita!

Your home base will be Cortona, one of the most renowned hill towns of Tuscany, famous as the setting and inspiration for the movie and book *Under the Tuscan Sun*. Initially founded by the Etruscans back in the 7th century BC, Cortona is truly a gem, with its medieval charm and dominating position over the enchanting landscape of the valley below. All of this is framed on the horizon by soft hills and the vast expanse of Lake Trasimeno.

The easy and relaxed vibe will capture your heart as you stroll past the countless restaurants, quaint boutiques, artisanal shops, and friendly cafes where you can enjoy an aperitivo while sitting

in the main square watching people stroll past, just like the Italians do.

Soft rolling hills, lines of cypress trees, endless vineyards, orderly olive groves, picturesque towns, friendly people... simply being here makes you feel like you are in just the right place in the world! Cortona is strategically positioned between Florence, Rome, Siena, Assisi, and the wine regions of Montepulciano, Montalcino, and Chianti, making it the perfect base for all of your Tuscan adventures!

ACCOMMODATION •

Your group of 4 BFF's will enjoy a fantastic 7 night stay in a charming 2 bedroom and 2 bathroom apartment in the heart of Cortona, with a fully equipped kitchen and a comfortable living area. The apartment is just steps away from the main square of the town and from everything that you might need during your stay.

WHILE YOU ARE HERE •

When you arrive, all of you will be welcomed with an Italian aperitivo in the hippest wine bar in town, located right on the main square. While here, we have arranged an exclusive, private visit to an artisanal jewelry shop where you will learn about the Tuscan art of making jewelry while sipping a glass of Prosecco. On another day, head up to Florence, a city that together with Milan, are the fashion capitals of Italy. While in Florence, a personal shopper will bring you on an half-day tour, discovering smaller, hidden boutiques where you will find authentic "Made in Italy" treasures to bring home.

You will also venture into the countryside, to one of the most famous wineries in the region. Here you will enjoy a wine tasting and an amazing lunch for 4 while at the vineyard.

And finally, to balance out the busy week, you will take part in a private yoga session to help relax and energize. Then enjoy a face massage and soak in the waters at the thermal baths of San Giovanni. The baths are located in the middle of the Tuscan countryside and are known for the beneficial properties of their waters. Originally founded by the Romans, the five thermal pools, all with different water temperatures, are spread over indoor and outdoor areas, allowing guests to relax while immersed in the beauty of Tuscany.
