Final cleaning and utilities
Travel assistance and concierge service

TUSCANY FERRARI PASSION • 7 NIGHTS 4 PEOPLE

Tuscany is the very essence of Italy, with awe-inspiring landscapes, artistic heritage, culinary greatness, excellent wine, and all-around beauty. These elements combine, creating the perfect recipe for a fantastic road trip and all things Italian.

Tuscany is also one of the most incredible regions for its panoramic routes, with beautiful rolling hills lined with cypress trees, endless vineyards, fields of sunflowers, and orderly rows of fragrant olive trees. The roads look like soft snakes climbing the hills and then rewinding back down to the valley, with breathtaking views in all directions. Combine the beauty offered by Tuscany, with the energy and power of driving a Ferrari through the beautiful landscapes, to make this a trip of a lifetime and an unforgettable journey!

While here, you will stay in the quiet countryside near the medieval town of Cortona, known as the setting and inspiration for the book and movie *Under the Tuscan Sun*. Cortona is a charming hilltop town, founded in the Etruscan era, before the Romans,

with evidence that the city existed as far back as seven centuries before Christ. Now Cortona is genuinely a Tuscan gem, with its medieval charm dominating the enchanting landscape of the valley below, framed on the horizon with soft hills and the vast expanse of Lake Trasimeno. The town is strategically positioned between Florence, Rome, Siena, Assisi, and the wine regions of Montepulciano, Montalcino, and Chianti, making it the perfect base for exploring Tuscany!

ACCOMMODATION •

Your group of four will stay for 7 glorious evenings in a luxury 2 bedroom and 2 bathroom villa. There is a fully equipped kitchen, nice living areas, and a wonderful outdoor space with beautiful gardens and a refreshing, private pool.

WHILE YOU ARE HERE •

The four of you will embark on a road trip adventure, spending a full day cruising through the Tuscan countryside in 2 Ferrari California Spiders! The California Spider epitomizes the elegance, sportiness, and exclusivity that have distinguished every Ferrari California model since the 1950s! Heads will turn with envious glances when the cars are delivered directly at your accommodation. You will also be given a suggested itinerary, and from there, you will set out for your day, passing through splendid landscapes and gently rolling hills.

No visit to Tuscany would be complete without food and wine. During your stay, you will visit an excellent local winery where you will have a private tour of the vineyards and learn all the secrets of the winemaking process. Here you will have a special tasting of the wine followed by a lovely lunch for the four of you. Then arrangements have been made for a professional Italian chef to come to your villa and prepare a traditional Tuscan dinner.
