TUSCANY WINE ADVENTURE • 7 NIGHTS 6 PEOPLE

Tuscany is a destination that must be seen at least once in a lifetime, and it is an absolute must see for all wine lovers! There are few places in the world that manage to combine art, culture, beautiful landscapes, a unique lifestyle, amazing food and excellent wine like Tuscany does.

During this trip you will understand what makes this region a sort of Eldorado in the world's wine scene. The passion that winemakers put into their work is tangible, and the land here is home to some of the best wines in the world. Learn about the secrets of a good wine and how to enhance its potential by pairing it with a great dish. This journey will enrich you with both pleasure and knowledge.

Your home base for six of you will be Cortona, one of the most renowned hill towns in Tuscany, famous as the setting and inspiration for the movie and book *Under the Tuscan Sun*. Initially founded by the Etruscans back in the 7th century BC, Cortona is truly a gem, with its medieval charm and dominating position over the enchanting landscape of the valley

below. All of this is framed on the horizon by soft hills and the vast expanse of Lake Trasimeno. The easy and relaxed atmosphere will capture your heart as you stroll past the countless restaurants, quaint boutiques, artisanal shops, and friendly cafes where you can enjoy an aperitivo while sitting in the main square watching people stroll past, just like the Italians do.

ACCOMMODATION •

Your group of six will stay for 7 enchanted evenings in a luxury 3 bedroom and 3 bathroom villa. There is a fully equipped kitchen, nice living areas, and a beautiful outdoor space with lovely gardens and a refreshing, inviting private pool.

WHILE YOU ARE HERE •

Upon your arrival, we will welcome the six of you with a fabulous Magnum bottle of Tuscan red wine. Then on one of your days, all of you will embark on a journey through the Tuscan countryside on an incredible wine tour, where you will visit two different wineries and enjoy tastings, as well as lunch along the way. The tour includes transportation, so you can kick back and enjoy the scenery!

And as a very special treat, on one of the evenings, a private chef will come to your villa and prepare for all of you a tantalizingly delicious four-course dinner, with a unique wine pairing throughout the meal that will be led by a professional sommelier! Bravo!
