Barcelona, located on the Mediterranean sea along the northern coastline of Spain, is undoubtedly the most cosmopolitan and economically active city in the country. This modernistic town is consistently ahead of the curve when compared to other contemporary cities. This modern approach is particularly evident in the futuristic architecture that reflects the life in this ever pulsating city.

Barcelona has been the center of Modernist architecture. The town is distinguished through the ingenious works of Antoni Gaudí, who, together with his great contemporaries, gave a new and exciting look to this incredible metropolis. This phenomenal city offers a fun and vibrant atmosphere, great nightlife, beautiful beaches such as La Barceloneta, and extraordinary gastronomy with famous dishes such as Paella or Crema Catalana.

Explore the surrounding countryside and the famous wine regions such as Alella, Priorat, and Tarragona, or the exclusive Costa Brava with some of the most breathtaking coastlines found in Spain.
