Bask in the sun-drenched squares while enjoying mouthwatering gastronomic delights and a crisp glass of wine, all while breathing in the unforgettable scent of orange blossoms.

Your villa for the week is perched on a hilltop overlooking the Mediterranean and the Moroccan coast just beyond, exuding lavish luxury and effortless style. With its thoughtfully designed interior and charming Bohemian touch, this villa provides

the ultimate in relaxation. Feel all worries melt away as you lounge by the private pool or in the garden terrace and gaze out to the expansive vistas of both mountain and sea.

A private chef will prepare a dinner for you one evening, so you can sample the renowned traditional cuisine of the region right in the comfort of your villa. Head to a nearby winery for

an exquisite lunch with wine pairing. One day you will make your way to Granada, where you can wind through the twisting alleyways of the Alhambra fortress complex, discovering its stunning gardens and impressive architecture on a fun and informative private guided tour.

ANDALUCIA

SPAIN

Andalucia is a land of contrasts, with high rising mountains, stretches of golden coastal beaches, arid desert land and large expanses of olive trees that extend as far as the eye can see. The powerful nature is sprinkled with smaller white-washed villages perched upon hill tops and dazzling cities like Seville, Cordoba and Granada that maintain echoes of their Moorish and Roman pasts.

Some of the most long-standing and distinctively Spanish traditions, such as bullfighting, and the art of Flamenco, actually originated in Andalucia, and there is a strong identity tied to this. The blend of cultures that makes this region unique is felt everywhere: in the art, architecture, music, dance and of course in the cuisine. Here you will truly feel the soul of Spain, with its laid back vibe that is at the same time fiercely proud.

YOUR ACCOMMODATION

This stylish and unique 3 bedroom / 3 bathroom villa is a luxuriously charming property, built on the site of an old farmhouse, it pays homage to its rustic Andalusian heritage while simultaneously offering modern sophistication. The villa is dotted with art deco furniture and local artwork, all hand picked to create the ultimate space for you to rejuvenate.

With spacious living areas, a private pool, secluded gardens and heart-stirring views over the valley and beyond, the villa promises unsurpassable comfort and relaxation. Soak in the warm Andalusian sun, cool off in the shade of ancient eucalyptus and palm trees, or jump into the refreshing waters of the pool. Nestled on a hilltop, this is the perfect base for exploring the beauty that this region offers. Here you are literally on top of the world, and marvel as the land seemingly falls away before you, into the valley and spills out to meet the Mediterranean Sea beyond.
