HIDDEN BURGUNDY FOR 10 • 7 NIGHTS 10 PEOPLE

Burgundy, situated in the middle of France, is a landscape of valleys, vineyards, canals, rivers, medieval towns perched on granite rock, bustling markets and an abundance of history.

With four UNESCO World Heritage Sites, Burgundy is a place like no other. It is known for its “climats” — a careful selection of geologically unique wine plots that have been tended to for hundreds of years.

Outside of being the birthplace of Chardonnay and Pinot Noir wines, Burgundy is rich in its local cuisine. From Escargots de Bourgogne to Boeuf Bourguignon, this is a food and wine lovers paradise.

Complementing Burgundy’s great food and wine culture, the regions natural beauty and picture book villages are unmatched, with entire towns stopped in time, nestled along canals and winding rivers.
