

CHARMING CHAMPAGNE
6 PEOPLE - 5 NIGHTS

Discover the timeless charm of France's Champagne region, where the rolling vineyards, picturesque towns and villages, and world-renowned sparkling wine create an unforgettable escape. Nestled between the historic cities of Reims and Épernay, the region offers a truly unique blend of tradition, exceptional terroir, and French elegance. From prestigious Champagne houses and more intimate family-run producers to refined culinary experiences, every moment is an invitation to savour the rich heritage of the region, its distinctive character, and unmistakable *joie de vivre*.

Champagne takes its name from the historic region of northeastern France where it is produced. Protected by strict appellation laws, only sparkling wine made according to specific standards within this designated region can proudly bear the name of *Champagne*. Renowned for its precision and craftsmanship, the process involved in making Champagne is one of the most fascinating in the world. At its heart are three distinctive territories, each shaped by its unique terroir and celebrated for a signature grape variety.

But Champagne is about far more than wine. Explore Reims, the historic City of Kings, with its spectacular Notre-Dame Cathedral, elegant town center, and excellent shops. In Épernay, stroll along the famous Avenue de Champagne, then visit the historic abbey associated with Dom Pérignon in the charming hilltop village of Hautvillers. Savour the region's exceptional restaurants and, for history enthusiasts, discover important sites and memorials from World War I scattered throughout the surrounding countryside.
